

During the month of April, the Outreach Committee of GSLC hopes to help EQUIP the schoolchildren in our community by collecting donations for the annual Give A Kid A Chance backpack program.

GAKAC is a local organization that hopes to provide a better future to students in need by supplying them with free backpacks filled with school supplies, new socks and undies, haircuts, dental and medical screenings, and gently used clothing. Rather than shop for supplies, we are requesting that Good Shepherd members support the program with monetary donations to help purchase backpacks and all the necessary school supplies. A

suggested donation of \$20 will provide one completely stocked backpack and help us reach our goal of providing 150 backpacks to this worthy organization. Look for the display in the entryway to place your donation. As always, thank you for your support!
