We are excited to announce the theme for the 2022 Stewardship Campaign:

Stewardship is a Gift

Acts of giving are responses to God's love for us as well as our love for this congregation and its mission. Through devotion and self-reflection, we will look inward as individuals and families at our many gifts and consider how we manage our money and our time for service to Good Shepherd and the communities we serve.

Stewardship is a year-round effort in which all Good Shepherd families are encouraged to participate. Commitment of our spiritual gifts, time and financial contributions help the ongoing ministries of Good Shepherd continue to thrive. The congregation cannot achieve its mission and goals without the service of its members. Whether you serve on a committee that meets monthly or you serve as needed in 2022, all efforts are greatly appreciated. Descriptions of the different areas where you and your family can serve are on the website: gslutheran.org/stewardship. Stewardship is a Gift – Spiritual Gift Offering forms are enclosed in this packet. Our financial commitments provide a foundation for the budget that the finance committee will begin planning in early 2022. Time and Talent forms will be sent at a later date this year.

Consecration Sunday is February 13th, 2022. By this date, the Offering Forms should be completed and turned into the stewardship collection box on the altar. If you completed an offering form last year, it still is important for your family to complete it for 2022-23 year, even if there are no changes for this year.

If you have not already done so, please consider signing up for Simply Giving by using the enclosed form. You may also use Vanco Mobile Giving through our website at Gslutheran.org/donate. Simply Giving and Vanco Mobile Giving are secure, convenient, and automated ways to submit your offerings. With both of these services, the church can count on a consistent level of offerings, which makes planning and paying expenses much easier. If you have any questions, please contact a member of the Stewardship Committee or the church office.

Our objectives are the same: to encourage all members and their families to use their time, talent, and financial gifts to contribute to the overall mission of the church. Your gifts matter.

Let's put our gifts to work!
