## GOD'S REIGN IN OUR CITY

Founded in August 2023, the Collective is a church without walls seeking to offer a compelling vision of love and belonging to new generations by enacting God's reign in Atlanta and beyond. We believe that church can be different. We believe it can be a force for justice in our city. We believe it can be a place where people of all identities experience God's unconditional love.

In our first five months, the Collective hosted two worship services with an average attendance of 52 people, engaged 20-30 people weekly in small groups, and completed over 100 hours of community service. We cannot wait to see the ways the Spirit will move in our community in 2024. To find out more, visit us at [CollectiveATL.org](https://CollectiveATL.org).
