

Youth Car Wash!

Our Youth would like to say Thank You to our congregation and offer their service for all the contributions for their Summer Youth Trips. We have lots of great opportunities planned for the summer and we couldn't have done it without your support.

We will be outside from 10 AM - 12PM, Saturday, April 13th. While you are here, give blood or donate to our electronic recycle event. See those details below. All these opportunities show our care for each other and the world we live in.

The poster features the Good Shepherd Lutheran Church logo at the top center, which includes a circular emblem with a cross and the text "GOOD SHEPHERD LUTHERAN CHURCH" and "GSLUTHERAN.ORG". Below the logo, the main title "CARE DAY 2024" is written in large, green, sans-serif font, with "April 13" in a smaller, dark blue font underneath.

The poster is divided into three vertical columns, each representing a different event:

- BLOOD DRIVE:** Features a red circular icon with a white hand holding a red blood drop. The text below reads: "8 AM - 1 PM", "www.redcrossblood.org", "ENTER SPONSOR CODE", and "goodshepherdlutheran".
- YOUTH CAR WASH:** Features a cartoon illustration of a red car being washed by a blue hand. The text below reads: "10 AM - 12 PM", "GET YOUR CAR WASHED FOR FREE", and "BY OUR YOUTH".
- ELECTRONICS RECYCLE DAY:** Features a green recycling symbol. The text below reads: "10 AM - 2 PM", "BRING THOSE OLD ELECTRONICS TO GOOD SHEPHERD".

At the bottom center, the text "Visit gslutheran.org for all the details" is displayed. To the right of this text is a logo for "DATA DELETE RECYCLE" which includes a small icon of a computer monitor with a red 'X' over it.

ELECTRONIC RECYCLING FUNDRAISER

At GOOD SHEPHERD

April 13th, 10 AM—2 PM

The Technology Committees is hosting a community electronics recycling event on November 13th, from 10 AM—2 PM. GSLC is again working with Data, Delete, Recycle, a trusted recycling partner, that will remove and destroy any data that may be on computers, laptops, cell phones or other electronic devices needing this service and recycle nearly all materials collected. GSLC will receive money back from the recycler from all the equipment collected. This money will go toward new office equipment.
