

Leaving lasting gifts to the people, places and causes you love the most.

There will come a time when you will no longer have need of anything. When that day comes, what will become of all the things you worked your whole life for? And how will you be remembered?

Legacy giving is a way to prepare for that day in a way that assures you leave not just valuables, but values. Your final gift will be your final testimony about who and what was most important to you. Make it count!

As a Gift Planner I can help you think through these important decisions and give shape to your final testimony. Your gift plan should do more than assign names to your remaining assets. Your gift plan should tell a story or paint a picture.

It all starts with a simple phone call and confidential conversation. I will not try to sell you anything or ask you to give a donation anywhere. You already know what you want. I can help you make sure your wishes are carried out.

I am a native of Puerto Rico. I graduated in 1981 from the University of Puerto Rico in Mayagüez with a Bachelor of Science degree in Biology and Chemistry (Cum Laude) and received my Master of Divinity in 1985 from San Francisco Theological Seminary in San Anselmo, CA. I was ordained by the Presbyterian Church USA (PCUSA) in 1986.

I served as Co-Pastor and Pastor of two congregations in Denver, CO and have served in numerous committees and task forces of Presbyterian Church USA. Outside the church, I served as Translator/Interpreter for the Justice Information Center in Denver, CO, a non-profit agency meeting legal and immigration needs. While a Texas resident, I was the translator for the Juvenile, County and District Courts in Dumas, TX.

For twenty (20) years I served the PCUSA as a Capital Campaign Consultant working for Church Financial Campaign Service, now Church Campaign Services, LLC. On June 2013, I accepted the position of Regional Gift Planner for the FL-BH Synod. Since November of 2020 I also serve the Southeastern Synod. I sing in my church choir and two community choirs. I am the proud mother of twin sons and “abuela” to Ana Mae.
